YOUR CHOICE OF CABINETS DEFINES YOUR HOME and exemplifies your lifestyle. Although other interior design elements can be updated to reflect popular trends, built-in cabinetry is a core architectural element that provides for your home's functional and aesthetic design for years to come. Choosing cabinetry is one of the most important decisions you'll make for your home. With over 70 years of experience, we have established a tradition of excellence in quality, craftsmanship and service that is supported with our lifetime limited warranty. We are honored that you have selected Dura Supreme cabinetry for your home and we are dedicated to upholding the trust and confidence you have invested in us!

WITH SUCH AN ENTICING ARRAY of design options and price points, it's no wonder Dura Supreme cabinetry has such appeal. Within our family of products, you'll find a perfect fit for every taste and budget. Dura Supreme employs a balance of quality materials and construction features with an impressive array of styling options to deliver exceptional value and design. Crestwood Cabinetry is traditional, American "framed" cabinetry, custom crafted with premium joinery and materials, and an extraordinary palette of door styles and finishes. Bria Cabinetry is an ideal blend of high-tech and high-fashion with its full-access construction and expansive styling choices from traditional to chic contemporary.

SOPHISTICATED DOVE WHITE painted cabinetry is given an up-to-the-minute look by combining a modern shaker door style's sleek styling with the elegant curves of crown molding. A curved architectural hood, as well as accents of black and Quarter-Sawn White Oak, dress up this painted kitchen for upscale, modern farmhouse appeal. Dura Supreme's well-rounded paint palette includes several "whites", from a true White to Linen White to Pearl and Putty. If plain paint isn't quite right for you, embellish it with glaze, accent, distressing, or our artisan "Heritage Paint" detailing. The classic look of a painted finish never goes out of style and is always a crowd-pleaser.

A combination of Crestwood and Bria Cabinetry shown in Reese Inset door style with "Dove" paint, Avery Inset door style with "Coriander" stain on Quarter-Sawn White Oak, and Aluminum Frame Door #1 with "Onyx" finish.

Crestwood Cabinetry shown in Paris door style with a combination of “Onyx” and “Cashew” stains on Cherry with Open Metal Shelves and Wire Mesh Inserts.

CHIC, GLIMMERING ACCENTS MINGLE WITH COZY CHERRY WOOD. Black and true-brown stains create an exciting contrast while brassy metal shelves and wire mesh doors add dazzling details throughout the space. This practical and intelligent design showcases cabinetry that performs as beautifully as it looks. Beneath every drawer are concealed, undermount slides heralded for their incredibly smooth glide and a soft-close, self-close feature. You'll find yourself lingering in your Dura Supreme kitchen long after the dishes have been washed and put away.

THE CRISP CLEAN DETAILS of a white painted kitchen are always in style! This captivating kitchen is replete with convenient banks of drawers keeping stored items within easy reach. A large refrigerator and freezer anchor the space on both sides of the range, and blend seamlessly into the kitchen. The spacious island invites family and friends to gather and make memories as you prepare meals. Conveniently located on each side of the sink are dual dishwashers, integrated into the cabinetry to ensure efficient clean-up. Glass-fronted cabinetry, with a contrasting finished interior, showcases beautiful glassware. Crestwood Inset cabinetry creates a perfect ensemble.

Crestwood Cabinetry shown in Carson Panel door style with "Rock Bottom" paint and "Hazelnut" stain on Cherry.

DRAMATIC AND MOODY never looked so good, or so inviting. Beautiful shiplap detailing on the hood and the island create a sleek modern farmhouse vibe in this decidedly modern kitchen. An entire wall of tall cabinets hides a large refrigerator in plain sight and a walk-in pantry for amazing storage. The two larger cabinets flanking each side of the hood create an abundant amount of specialized storage. An extra sink and open shelving in the beverage area makes for easy clean-up after cocktails for two or an entire dinner party. The warm contrast of paint and stain finishes makes this cozy kitchen a space that will be the focal point of many happy gatherings!

STUNNING SIMPLICITY. Your kitchen doesn't need to be grand to be stunning. Your full access Bria cabinetry maximizes a compact space as it artfully conceals a myriad of ingenious storage solutions. Adding an island amplifies the beauty and practicality of the room, while its seating area invites family and friends to gather. A bold backdrop and masterful hardware enhance the sleek lines of the cabinetry without detracting from its elegance. Crafted with quality materials and construction, Bria cabinetry is the perfect solution for your limited footprint. Endless possibilities await as you combine complementing door styles and finish options to attain your vision and make your new Bria kitchen simply stunning.

Crestwood Cabinetry shown in Dempsey Inset and Craftsman door styles with “Gale Force” paint and “Morel” stain on Hickory.

IT'S IMPOSSIBLE TO SING THE BLUES in a kitchen this cheerful! Stacked wall cabinets on both sides of the hood make use of every inch of space from countertop to ceiling. Each cabinet is designed with specialized storage for a beverage center and baking center. Tuck the pocket doors out of the way while preparing coffee or tea, and then close afterward to keep the countertops clutter-free. The small apothecary drawers make it so easy to organize special tea blends, savory syrups and hot chocolate for those long chats at the island. The unique furniture styling of the island blends the charm of an old farmhouse with the appeal of a fresh, modern home.

A DRAMATIC SKINNY SHAKER KITCHEN. This modern, skinny shaker door style creates a sleek variation to a classic favorite. Soft off-white paint is paired with a “Graphite” paint on the base cabinets to create a dramatic contrast for a most appealing atmosphere. Dura Supreme’s well-rounded palette of paint finishes lets you pull together a delicious recipe of color options to create the kitchen of your dreams, designed and tailored exclusively to you and your home. The classic good looks of a painted finish never go out of style and are always a crowd pleaser.

Bria Cabinetry shown in Kendall Panel door style with "Linen White" paint and "Smoke" stain on Red Oak.

A STUDY IN CONTRAST adds an air of elegant sophistication to this wonderful family kitchen. Beautiful Linen White paint, featured on the wall cabinets, creates a light and airy feeling. Providing the contrast is the dramatic Smoke finish on Red Oak. Used to finish the base cabinetry in the kitchen and in the adjacent butler's pantry, Smoke brings an unexpected modern twist to this traditional wood species. The texture of oak combined with the smooth simplicity of a painted finish is another way of creating a tactile contrast. Pops of brushed brass on the hardware, hood and door inserts add finishing touches to this stylish space. What a gorgeous space to come home to!

A LOFTY CONCEPT IN KITCHEN DESIGN. Bria Cabinetry is a sublime choice for the urban comforts of loft living that originated in Paris and New York's SoHo district. Now fashionable in metros around the globe, city living has never been so simple or sophisticated. This Bria kitchen dignifies its downtown digs with clean, contemporary lines and its uptown mix of sleek, natural materials. With soaring ceilings and commanding views of the city skyline, this contemporary dwelling is a perfect complement to Bria's efficient design and high-tech hardware. Whether uptown, downtown, country or cottage, Bria Cabinetry by Dura Supreme is a savvy choice for every style.

BOLD AND BRASSY DETAILS are a striking accent for this beautiful painted kitchen, adding an elegant and eye-catching metal finish. Abounding in storage, drawer banks were designed below the window wall to take advantage of natural sunlight that floods the kitchen, making the brushed brass details glimmer. A hutch cabinet with glass doors and curved mullions adds a graceful display space for cherished items. Clever and convenient “column” pull-outs house spices and a knife block on both sides of the range to keep often-used items close to the cooking center. Making the most of every nook in this kitchen, a small desk for two is tucked into a corner to multi-purpose the space.

SUGARY WHITE PAINT is a delicious color for this beautiful Crestwood kitchen with its cozy breakfast nook tucked into the back of the island. The unique design of this island offers seating areas on both sides, and is an open invitation for guests to make themselves at home. It's so easy to pull up a chair at the counter, or convene around the table and enjoy meals and comfortable conversation. Square bin pulls and the expansive hood with polished chrome detailing give this kitchen sparkle and glamour. White painted cabinetry is so very popular right now, topping everyone's menu for their favorite appetizer, entree and dessert!

WHIP UP A MASTERFUL RECIPE in your new kitchen with delicious details from Dura Supreme. A creamy blend of painted cabinetry with a woodgrain textured door is a savory mix and adds rugged durability in high-use areas. Stir in a sprinkle of matte black hardware for a tasteful embellishment. The impressive island is a weighty centerpiece that invites the entire family into the kitchen and linger long after dessert. Dramatic veined marble countertops and backsplash add sumptuous flavor and tie the entire kitchen design together. Bria Cabinetry from Dura Supreme offers an appetizing blend of handcraftsmanship and spicy contemporary details for a one-of-a-kind kitchen.
